

The Land of Enchantment

SCOTLAND. WHERE FANTASY, MYSTERY, AND FOLKLORE ABOUND.
A PLACE OF UNTOLD STORIES AND FORGOTTEN PATHS.
A PLACE WHERE LEGENDS RUN AWRY.

Whisperings of abnormal enchantments and vicious cat siths grip the scenic town of Ft. William. Ben Nevis, the great mountain and guardian of the land, is sickened with a dark power that gets blacker by the day. The Mystics must gain control of the growing threats in the area before the Norms find out. Yet somehow Monte and his friends manage to conjure their own set of conundrums. During a time when Mystics are supposed to be invisible, they do just the opposite.

Witty, awkward, and lovable, Monte is finally of age in the Mystic world. Then his family moves to Scotland where unrest runs high and danger lurks around every corner. And oh yeah, the use of magic is forbidden, a perfect recipe for teenage boredom. But that doesn't stop him from finding adventure and getting into a little (or a lot) of trouble along the way.

Sturdy, athletic, and intelligent, Garrick has as much might as Monte has courage. Best friend and older brother to Monte, he is a good companion if not a little uptight. He's not sure what to think of Scotland. The enchanting country has a lot to offer, but will it be too much for him?
